IRA SHARE – 2010

Variable Rate Information

The prospective dividend rate on your account is 0.650% with an anticipated annual percentage yield of 0.650%. The dividend rate and APY may change at any time based on the determination of the credit union board of directors.

Nature of Dividends

Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

Compounding and Crediting

Dividends will be compounded quarterly and will be credited quarterly. For this account type, the dividend period is quarterly, for example, the beginning of the first dividend period of the calendar year is 01/01/2010 and the ending date of such dividend period is 03/31/2010. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period. If you close this share account before dividends are paid, you will not receive the accrued dividends.

Minimum Balance Requirements

To be a member and maintain accounts at our credit union you must purchase 1 share(s) in the credit union. The par value of a share in this credit union is \$5.00. You must maintain a minimum average daily balance of \$100.00 in your account to obtain the disclosed annual percentage yield. ***Minimum balance requirements do not apply to accounts where a minor, (17 years or younger), is the primary owner.

Balance Computation Method

The average daily balance method requires the application of a periodic rate to the average balance in the account for the average daily balance calculation period. The average daily balance is determined by adding the full amount of the principal in the account for each day of the period and dividing that figure by the number of days in the period.

Accrual on Noncash Deposits

Dividends will begin to accrue on the business day you deposit noncash items (e.g. checks) to your account.

Transaction Limitations

IRA's are subject to limitations and/or penalties imposed by the Internal Revenue Service. Please see your IRA Agreement or your tax advisor for additional information.
